

Lake Technical College

Dear Graduate:

Congratulations! You have accomplished another milestone in your life by completing your program at Lake Technical College or passing the GED exam. We would like to recognize your achievement by having you, your family and friends attend Lake Technical College's graduation ceremony on **Thursday, June 18, 2015 at 7pm**. The ceremony will be held at the **Clermont Arts and Recreation Center at 3700 S. Highway 27 in Clermont**.

We hope you will attend the ceremony so that you can be publicly recognized. To participate in graduation, it is necessary for you to:

PURCHASE YOUR CAP AND GOWN If you have not yet ordered your cap and gown, there are a few extras I have ordered, but I cannot guarantee a perfect fit. If you would like to purchase one of these units, you must come to the Business Office immediately and order one of them because there are a limited amount. **At this time you may only order an entire unit or a tassel.** Please consult your instructor on whether you wear cap and gown regalia or another special uniform.

If wearing a graduation gown, it is traditional to wear black dress shoes and professional attire under the gown for the ceremony. Ladies should take into consideration the steps and the long walk across the stage when choosing heel height.

Graduation regalia may be picked up at Lake Tech beginning the week of June 8-12, (1pm-4pm). If they are not picked up, they will be brought to the graduation ceremony.

ATTEND GRADUATION You must be at the graduation location at **5:30 pm**. Don't forget to bring your camera to capture the memories of graduation!

PHOTOGRAPHER: During the graduation ceremony, photographs will be taken by Griffith Photography. The photographer will be available for posed photos before the ceremony and immediately following the ceremony. Please check our website at www.laketech.org, Facebook, or contact Admissions for further information. **All ordering and paying for photographs will be done through the photographer that night.**

SCHOLARSHIPS: Another good reason to check back with Lake Tech in the Spring is that we may have scholarship opportunities for you with applications available in the Financial Aid Office. These scholarship applications should be in Financial Aid in May.

Congratulations, again, on your accomplishment. We hope you'll join us for graduation!

Sincerely

Diane W. Culpepper, Ph.D.
Director
