**ACCELERATE THE PULSE
ON YOUR
HEALTHCARE CAREER!**

**LAKE
TECH**

Lake Technical College

**Lake Sumter
State College**

This full-time, day-time program has been specifically designed to meet the needs of the Sumter County community. It will be offered on Lake-Sumter State College's Sumter Campus at 1405 County Road 526A, Sumterville, FL.

- ◆ Experience interactive simulated labs and actual clinical rotations in a variety of healthcare settings.
- ◆ Work as a key member of a professional healthcare team to deliver skilled and compassionate patient care.
- ◆ Perform advanced medical procedures, administer medication, collect patient data, monitor IVs, and provide wound care.

Information Sessions at LSSC Sumter Campus—Room 1113, Building 1:

Wednesday, August 24, 9:00am

Monday, August 29, 5:00pm

Steps to Enroll:

- ◆ **Apply online** at www.laketechnology.org
- ◆ **Take the TABE test** before September 30, 2016.
- ◆ **Take the TEAS test during the testing window**, September 1-30, 2016 at Lake Tech's main campus testing center in Eustis, **or** September 20, 2016 by appointment only at LSSC Sumter Campus.
- ◆ **Complete the FAFSA**, if needed. Information can be found on the website www.laketechnology.org/future-students
- ◆ **Complete additional program admission requirements.** All students who have completed the steps listed above will receive a letter of eligibility and further directions on the selection process.
