

Asbestos Notification

In compliance with the United States Environmental Protection Agency (EPA) and the Asbestos Hazard Emergency Response Act (AHERA), this is notice that Lake County Public Schools has an Asbestos Management Plan at the school office as well as the district office. The plan is available for inspection by the public, parents, and district employees. The district performs six month periodic surveillance of all known or suspected asbestos and full re-inspections every three years by a licensed asbestos contractor.

All questions regarding the Asbestos Management Plan should be directed to the Risk Management Department at (352) 253-6660.
