

Lake Technical College

Dear GED student:

Thank you for taking the GED Test at our center. Once you have passed the test, we would like to recognize your achievement by having you and your family and friends attend our annual graduation ceremony on Thursday, June 18, 2015 at 7 pm. The ceremony will be held at the Clermont Arts and Recreation Center at 3700 S. Highway 27 in Clermont.

We hope you will attend the ceremony so that you can be publicly recognized for your achievement. To participate in graduation, it is necessary for you to:

**PURCHASE YOUR CAP AND GOWN:** Come to the Business Office at Lake Tech's main campus in Eustis **between March 1 and April 24 on 2001 Kurt Street, Eustis** to order and pay for your cap, gown, and tassel unit. The total cost for your cap and gown unit will be approximately \$40.00. If you have been notified of your passing the test after April 24 and need to purchase a cap and gown, please call Sonya Rosenglick at (352) 589-2250, ext. 1855 in order to purchase your regalia.

Graduation regalia may be picked up at Lake Tech in the Career Success Center June 8-12 (1pm-4pm). If they are not picked up, they will be brought to the graduation ceremony.

When wearing a graduation gown, it is traditional to wear black dress shoes and professional attire under the gown for the ceremony. Ladies should take into consideration the steps and the long walk across the stage when choosing heel height.

**ATTEND GRADUATION** You **must** be at the graduation location at 5:30 pm in order to practice and be ready to line up at the designated time. Don't forget to bring your camera to capture the memories of graduation!

**PHOTOGRAPHER:** During the graduation ceremony, photographs will be taken by Griffith Photographers. Pictures will be taken of each graduate as he or she is recognized during the event. The photographer will also be available for posed photos before the ceremony (beginning at 5:00 pm and immediately following the ceremony). Please check our website at [www.laketechnology.org](http://www.laketechnology.org), Facebook, or contact Admissions for further information. All ordering and paying for photographs will be done through the photographer that night.

**SCHOLARSHIPS:** Applications are available for eligible students wishing to pursue postsecondary education at LakeTech. The scholarship applications will be available in the Financial Aid Office in May.

Congratulations on your accomplishment. We hope you will join us for graduation!

Sincerely,

Diane W. Culpepper, Ph.D.  
Director
