

Test of Essential Academic Skills - Version 5.0
(TEAS V) Assessment

The assessment is mandatory for those entering into the EMT or LPN Program. The test contains 170 questions and includes Reading, Mathematics, Science and English and Language usage. The total testing time for the TEAS V Assessment is 3 hours and 29 minutes.

Each subtest has a separate time limit:

Subtest	Time Allocated	Number of Questions
Reading	58 minutes	48
Mathematics	51 minutes	34
Science	66 minutes	54
English and Language Usage	34 minutes	34

The TEAS V version of the test is offered at the Lake Tech Main Campus in Eustis and is by appointment only. The testing fee is \$35 and is nonrefundable. Applicants must pre-pay the testing fee in order to get an appointment.

Online test preparation materials can be found at the following websites:

<http://www.test.prepreview.com/teaspractice.htm> and
<http://www.atitesting.com> (Best site for purchasing materials re: Version 5.0)
