Florida's Public Technical College/Center System
Provides the Technical Skills that Work for Florida

Who We Are:

Florida's Technical Colleges/Centers:

- 49 public institutions – 39 Technical Colleges and 10 Technical Centers
- 48 with Council on Occupational Education (COE) accreditation and approved by the USDOE.
- A powerful network of training resources that are a “solution provider” in improving and growing Florida's Workforce.
- Provide a return on investment that minimizes student cost and time and maximizes the use of public education dollars.
- Focus on students and employers leading to **JOBS** and economic growth in Florida.

Our Vision:

- To ensure that Florida has the skilled workforce to be globally competitive.

Our Mission:

- The premier provider of high quality, affordable career and technical training meeting the changing needs of Florida's workforce.

We achieve our Mission by:

- Serving our communities as **Technical Colleges/Centers**.
- Preparing students for industry certifications and licensures to ensure success in high wage/high skill careers.
- Awarding Career Certificates and articulated College Credit.
- Remaining market driven.
- Responding quickly to business and industry needs.
- Focusing on results - Job Placement and Industry Credentials.
- Providing solutions for improving and growing a skilled Florida Workforce.
