The 100-question written test consists of 50 firefighter questions referenced to the IFSTA Essentials of Firefighting and Fire Department Operations, 5<sup>th</sup> edition, and 50 Pm questions referenced to the Pm National Registry Standards. The PAT is timed and applicants will be ranked according to the time it takes to complete the test as well as the written score. The PAT consists of 5 events, in full bunker gear, on air, and they are:
