Where Veterans Go Forward

The Mission

The G.I. Go Fund is a 501(c)(3) organization that assists our returning soldiers with their transition back to civilian life, by providing employment and education opportunities as well as providing a direct path to all benefits.

What We Do

Employment

The organization holds quarterly "Job and G.I. Bill" fairs for veterans in an effort to connect them with employers and educators who are committed to their success. Veterans who attend this event also receive critical resume assistance prior to attending in an effort to help the veteran make the strongest case for themselves as perspective employees.

Education

The G.I. Go Fund also engages veterans in an extensive outreach campaign aimed at encouraging them to utilize their GI Bill benefits and attend college. The G.I. Go Fund has an extensive community of more than 1,100 nationwide higher education institutions that are committed to providing veterans with an environment that suits their unique needs.

Benefits

The G.I. Go Fund assists veterans with identifying and providing a clear path for obtaining all available Federal, State, and Local benefits. Veterans often times live much of their lives not knowing what benefits they have earned and miss enormous opportunities. We work tirelessly with each individual veteran to ensure they have every opportunity to prosper.
