

## **Coming Up**

**Career Fair – April 30, 2014 9 am – Noon**

The Second Annual Lake Tech Career Fair is scheduled for April 30, from 9 am until noon. All students are invited to participate! Learn how to network, meet people in the business & industry community, and sign up for a CareerSource Central Florida workshop. Whether your students are ready for employment now or later, this Career Fair opportunity will be beneficial for everyone. Share these videos with your students – so they will be ready!

There is a Resume Workshop for students scheduled for April 22 and an Interviewing Tips Workshop the following day, April 23 for students who are interested. That way students will have a resume' to share. The Business Technology classes are also doing a fundraiser creating business cards for students. See them right away for your own business card.
