

Animoto

Make great videos with Animoto. Fast and easy tool you can use on your computer, tablet, or phone. The paid versions gives you a 20-minute video with several templates, songs, and photos to use. You can download them as well.

The video played at graduation was an Animoto video. You should do one for your program. We'll post it on Facebook for you.

Did you know that Lake Tech has a paid version of Animoto for all instructors?

See me if you are interested in learning how to use it (simple....I promise).
