## LAKE TECHNICAL COLLEGE – 4<sup>TH</sup> ANNUAL CAREER TECHXPO

Eustis, FL – Lake Technical College is opening its doors on Monday, April 8th from 4:30pm-7pm for the fourth annual Career TechXpo! Everyone is invited to this open house event. Last year, over 200 people attended the Career TechXpo – we hope to have an even bigger turnout this year.

During the event, participants will be able to stop by and visit as many programs as they'd like.

They will get to:

- **Meet the instructors** – Learn about the program and gain valuable insight into various career fields and job opportunities.
- **Tour the program areas** – See the classrooms and get a feel for the hands-on approach of career and technical education.
- **Experience the LTC culture** - Chat with current students about their career-centered training and future goals.

Participants can choose to be entered to win LTC items and Lake Tech *scholarships*!

**The TechXpo will take place at the main campus – 2001 Kurt Street, Eustis FL.**

Instructors from the Institute of Public Safety (IPS) will be in the lobby to discuss the programs available at the IPS campus. Representatives from the Admissions, Business, and Financial Aid offices will also be available to answer registration, enrollment, and payment questions.

We're proud of what we do here at Lake Tech and we can't for new students to begin learning their *career in a year*.

*Lake Technical College is a public, post-secondary institution that offers high quality training for many promising careers. The main campus is located at 2001 Kurt St., Eustis. The Institute of Public Safety is located at 1565 Lane Park Cutoff, Tavares.
