

# TECH TALK

Join us for **Virtual Tech Talk session** ~ During these live virtual sessions you will get important program information and start dates. You'll get a behind the scenes virtual glimpse into our program areas and classrooms. Plus, we'll answer your questions about enrollment steps, financial aid, and anything else you want to know about Lake Tech's amazing programs. All sessions are open to the public and free of charge. All Tech Talks will be via Zoom. Once you have registered, you will receive a calendar invite with the meeting link and password.

Lake Tech has 30+ Career and Technical programs to choose from, and there's no better time than NOW to get started toward a new "career in a year!"
