## Equivalency of Training (EOT)

### Application Instructions:

For law enforcement, correctional or correctional probation officers in another state, a federal agency or the military, or a former Florida officer with more than a four year break in service, to obtain certification as an officer in Florida, without first attending a full basic recruit academy in Florida, they must (1) **successfully complete an EOT Evaluation** establishing that they attended sufficient basic training and were employed full time as an officer for at least 1 year in a job that ended no more than 8 years ago and; (2) **demonstrate proficiency in specific high-liability physical skills** (such as defensive tactics and firearms) and; (3) **pass the Florida State Officer Certification Examination (SOCE)**. Each step must be completed before progressing to the next. In order for us to evaluate your training and employment you must submit an application providing us with information, execute a waiver authorizing us to make inquiries, and pay a fee. We will then complete the evaluation and submit it to the Florida Department of Law Enforcement (FDLE) for acceptance. If you qualify, you will receive a Criminal Justice Standards and Training Commission (CJSTC) Form 76 by certified mail, showing your eligibility to proceed with the Proficiency Demonstration and the SOCE examination. To allow enough time for the evaluation, submit your application 6 weeks in advance of the date you intend to attend a Proficiency Demonstration course or take the SOCE. All information provided by applicants is subject to verification by investigators.

### How to Apply:

1. Complete the Equivalency of Training (EOT) Application. To qualify, your employment records must establish that you were employed as a full-time (40 hours per week) sworn law enforcement officer (authorized to bear arms and make arrests), or correctional officer or correctional probation officer, either by working for a single agency for one full year, or for two agencies for a cumulative of one full year within an eighteen-month period. Qualifying employment cannot include time spent in an academy, even if you were receiving pay while attending. There cannot be more than an 8 -year gap from the end of your most recent qualifying employment to the submission of your completed EOT Application. Employments that typically do not establish EOT qualification are seasonal, part-time, reserve (civilian or military), volunteers, military security forces, military vessel-boarding teams, etc. The addresses you provide must be complete and must be for the specific office that is authorized to provide verifications for training or employment. The application must be notarized. We verify all qualifications.
2. Execute the waiver we need to verify your training and employment, FDLE "Authority for Release of Information" (CJSTC Form 58), available on our web site. This waiver must also be notarized.
3. **(FORMER FLORIDA OFFICERS MAY SKIP THIS STEP)** Attach all documentation (course outline or syllabus and certificate of completion) showing that you completed training in all the required areas listed below for your discipline (law enforcement, corrections, or correctional probation). This training may be from your employer, an accredited college, or a certified state, local, or federal training academy.
