

Addendum 1 to the 2025-2026 Catalog

- Under Phlebotomy, Page 49:

Phlebotomy

This **hybrid** program, located on the LTC main campus, is a 165 hour part-time, evening program which includes learning safe and efficient work practices in obtaining blood specimens; maintaining the integrity of the specimen in relation to the test to be performed; preparing blood smears; labeling specimens accurately and completely; and promoting the comfort and well-being of the patient while performing blood collecting duties.
